Loving Creator, You have been our God in the past, leading us from captivity to freedom.

You are the Spirit we admire and worship now beneath this colossal creation around us.

But mostly, You are the God of many names and infinite mystery,

Who draws us toward a world of justice and love,

Toward hope, toward creativity, and energetic life.

We thank You for all You promise as You reassure us of Your caring,

Speaking to the silent expectations of our hearts.

You are our God, and we seek to be Your hands and feet and heart.—AMEN.

UNANIMOUS CONSENT TO PRINT IN JOURNAL**

Senator Hertzberg asked for, and was granted, unanimous consent that the following letter be printed in the Journal:

May 17, 2018

Mr. Daniel Alvarez,

Secretary of the Senate

Dear Mr. Alvarez: As the author of Senate Bill 606, I am requesting the inclusion into the Senate Daily Journal my statement to clarify the intent of the bill as it relates to the bonus incentive for potable reuse projects. Senate Bill 606, along with AB 1668 (Friedman, 2018), creates a new framework for ensuring water is used efficiently and fundamentally changes water management in California.

The bills provide a bonus incentive for potable reuse with a greater incentive allowed for existing projects, defined as those that have completed the CEQA process by January 1, 2019 and which are providing water by January 1, 2022. This extra incentive is meant to recognize the financial and public policy commitments that were made prior to the passage of these water efficiency standards.

One of those commitments is Pure Water San Diego, a long-planned project for the City of San Diego; the first phase of that project is slated to provide 30 million gallons a day of potable reuse. It is my intent in drafting SB 606 that Phase 1 of this project qualify as an existing project for purposes of the bonus incentive.

I am working to understand the precise timing for Phase 1 of Pure Water San Diego and to determine whether regulatory action or a technical clarification to the statute is needed.

Sincerely,
ROBERT M. HERTZBERG
Senator, 18th District
